Dear Sirs,

Scrip Code: 506395 / Coromandel

Sub: Shutdown of Ennore Plant

We wish to inform you that our complex fertiliser manufacturing unit at Ennore in Tamil Nadu has been shut down due to flooding in and around the plant areas caused by heavy rains in Chennai. We are assessing the situation and the operations would resume once the situation improves. We would inform you as soon as the plant resumes operations.

Disruption of operations in our Ennore Unit for a short period is not likely to have any significant impact on our turnover or profit. We have adequate insurance cover against any natural calamities.

We request you to take the above on record.

Thanking you,

Yours faithfully,
For Coromandel International Limited
