

Financial statements

Report of independent auditors

December 31, 2019.

Report of independent auditors.

To the Board of Directors and shareholders. Coromandel Agronegocios de México, S.A. de C.V.

We have audited the accompanying financial statements of Coromandel Agronegocios de México, S.A. de C.V., comprising the statement of financial position at 31 December 2019, income statement, changes in stockholders'equity, and cash flow for the year ended on that date, as well as a summary of significant accounting policies and other explanatory information.

The address is responsible for the preparation and faithful presentation of the attached financial statements, in accordance with Mexican financial reporting standards and internal control which the Administration considers necessary to enable the preparation of financial statements, free of material incorrectness, due to fraud or error.

Our responsibility is to express an opinion on the accompanying financial statements based on our audit. We have carried out our audit in accordance with international auditing standards. Those standards require that we comply with ethical requirements as well as that we plan and execute the audit in order to obtain reasonable assurance about whether the financial statements are free of material incorrectness.

An audit involves procedures to obtain evidence of the amounts and information disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material incorrectness in the financial statements due to fraud or error. Making those risk assessments, the auditor takes into account the internal control relevant to the preparation by the entity's financial statements expressing the true and fair view, in order to design audit procedures that are appropriate Depending on circumstances, and not for the purpose of expressing an opinion on the effectiveness of internal control of the entity. An audit also includes evaluating the appropriateness of accounting policies applied and the reasonableness of accounting estimates made by management, as well as evaluation of the overall presentation of the financial statements.
