**STATEMENT OF MANAGEMENT'S RESPONSIBILITY
FOR FINANCIAL STATEMENTS**

The Management of **SABERO ORGANICS PHILIPPINES ASIA INC.**, is responsible for the preparation and fair presentation of financial statements including the schedules attached therein, for the years ended December 31, 2019 and 2018, in accordance with the prescribed financial reporting framework indicated therein, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

The Board of Directors reviews and approves the financial statements including the schedules attached therein, and submits the same to the stockholders.

SUSANA C. ROSANA, the independent auditor, appointed by the stockholders, have audited the financial statements of the company in accordance with Philippine Standards on Auditing, and in their report to the stockholders, have expressed their opinion on the fairness of presentation upon completion of such audit.

**STATEMENT OF MANAGEMENT'S RESPONSIBILITY FOR ANNUAL INCOME
TAX RETURN**

The management of **SABERO ORGANICS PHILIPPINES ASIA INC.**, is responsible for all information and representations contained in the Annual Income Tax Return for the year ended December 31, 2019. Management is likewise responsible for all information and representations contained in the financial statements accompanying the (Annual Income Tax or Annual Information Return) covering the same reporting period. Furthermore, the Management is responsible for all information and representations contained in all the other tax returns filed for the reporting period, including, but not limited, to the value added tax and/or percentage tax returns, documentary stamps tax returns, and any all other tax returns.

In this regard, the Management affirms that attached audited financial statements for the year ended December 31, 2019 and the accompanying Annual Income Tax Return are in accordance with the books and records of **SABERO ORGANICS PHILLIPINES ASIA INC.**, complete and corrected in all material reports. Management likewise affirms that:

- a.) The Annual Income Tax Return has been prepared in accordance with the provisions of the National Internal Revenue Code, as amended and pertinent tax regulations and other issuances of the Department of Finance and Bureau of Internal Revenue;
- b.) Any disparity of figure in the submitted reports arising from the preparation of financial statements pursuant to tax accounting rules has been reported as reconciling items and maintained in the Company's books and record in accordance with the requirements of Revenue Regulations No. 8-2007 and other relevant issuances;
- c.) The **SABERO ORGANICS PHILIPPINES ASIA INC.**, has filled all applicable tax returns, report and statements required to be filed under Philippine tax laws for the reporting period, and all taxes and other importations shown thereon to be due and payable have been paid for the reporting period, except those contested in good faith.

REPORT OF INDEPENDENT AUDITOR

The Board of Directors and Shareholders
SABERO ORGANICS PHILIPPINES ASIA INC.
Unit 2005B Tektite West Tower, PSEC, Exchange Road
Ortigas Center, Barangay San Antonio, Pasig City

Opinion

I have audited the financial statements of **SABERO ORGANICS PHILIPPINES ASIA INC.** which comprise the statements of financial position as at December 31, 2019 and 2018, and statements of comprehensive income, statements of changes in equity and statements of cash flows for the years ended, notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of **SABERO ORGANICS PHILIPPINES ASIA INC.** as at December 31, 2019 and 2018, and its financial performance and its cash flows for the years then ended in accordance with the Philippine Financial Reporting Standards for Small Entities (PFRS for SEs).

Basis for Opinion

I conducted my audits in accordance with the Philippine Standards on Auditing (PSA). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am **Independent** of the Company in accordance with the Code of Ethics for Professionals Accountants in the Philippines (Code of Ethics) together with the ethical requirements that are relevant to my audit of the financial statements in the Philippines, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Philippine Financial Reporting Standards for Small Entities (PFRS for SEs), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for **assessing the company's ability to continue as a going concern**, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those charged with the governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on basis of these consolidated financial statements.

As part of an audit in accordance with PSA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assesses the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of the accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the **going concern** basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exist related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Report on Other Legal and Regulatory Requirements

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information on taxes, duties and license fees in notes to the financial statements is presented for purpose of filing with the Bureau of Internal revenue and is not required part of the basic financial statements. Such information is the responsibility of management. The information has been subjected to the auditing procedures applied in my audit of the basic financial statements. In my opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

TO THE SECURITIES AND EXCHANGE COMMISSION

In connection with my examination of the financial statements of **SABERO ORGANICS PHILIPPINES ASIA INC.** which are to be submitted to the Commission, I hereby represent the following:

1. That I am in the active practice of the accounting profession and duly registered with the Board of Accountancy (BOA);
2. That said financial statements are presented in conformity with Philippine Financial Reporting Standards (PFRS) for Small Entities (SEs) in all cases where I shall express an unqualified opinion; except that in case of any departure from such principles, I shall indicate the nature of the departure, the effects thereof, and the reasons why compliance with the principles would result in a misleading statement, if such is a fact;
3. That I shall fully meet the requirements of independence as provided for in Section 14 of the Code of Professional Ethics for CPAs;
4. That in the conduct of the audit, I shall comply with the Philippine Standards on Auditing (PSA) promulgated by the Board of Accountancy. In case of my departure from such standards or any limitation in the scope of my examination, I shall indicate the nature of departure and the extent of the limitation, the reasons thereof;
5. That I shall comply with the applicable rules and regulations of the Securities and Exchange Commission in the preparation and submission of financial statements; and
6. That relative to the expression of my opinion on the said financial statements, I shall not commit any act discreditable to the profession as provided for in Section 23 of the Code of Professional Ethics for CPAs.

As a CPA engaged in public practice, I make these representations in my individual capacity.

SABERO ORGANICS PHILIPPINES ASIA INC.

NOTES TO THE FINANCIAL STATEMENTS

(Amounts in Philippine Peso)

1. Corporate Information

Sabero Organics Philippines Asia Inc. (the "Company") was incorporated and registered with the Philippine Securities and Exchange Commission (SEC) on August 3, 2007. Its primary purpose is to engage in the marketing, trading, on a wholesale basis of agricultural farm supplies and equipment. The office address of the Company is Unit 2005B Tektite West Tower, PSEC, Exchange Road, Ortigas Center, Barangay San Antonio, Pasig City 1605.

The Company has registered chemical brands which it plans to launch in the Philippines in the near future.

The Company's management has been undertaking measures to improve its operations and cash flows to strengthen its overall financial viability. The effects of the foregoing conditions will be recorded in the financial statements as they become known and estimable. The financial statements were prepared on a going concern basis and the assets were presented at net realizable values.

The financial statements for the year ended December 31, 2019 were approved and authorized for issue by the management on April 5, 2020.

2. Basis of Preparation

Statement of Compliance

The financial statements have been prepared in compliance with Philippine Financial Reporting Standards for Small Entities (PFRS for SEs).

Basis of Measurement

The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies below.

Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Philippine Peso (₱), which is also the Company's functional currency.

Use of Estimates and Judgments

The preparation of financial statements in conformity with the PFRS for SEs requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Areas involving a high degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 4.

3. Summary of Significant Accounting Policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Cash

Cash include cash on hand and cash in bank that are subject to an insignificant risk of changes in value.

Basic Financial Liabilities

This category pertains to financial liabilities that are not held for trading or not designated at FVPL upon the inception of the liability. These include liabilities arising from operations or borrowings.

The liabilities are recognized initially at fair value and are subsequently carried at amortized cost.

Included under this category are the Company's accounts payable.

Capital Deficiency

Share capital is classified as equity.

Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Related Parties

Parties are considered as related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered to be related if they are subject to common control or common significant influence. Related parties may be individuals or corporate entities. Transactions between related parties are based on terms similar to those offered to non-related parties.

Income Tax

Current tax

Current tax assets or liabilities comprise those claims from, or obligations to, fiscal authorities relating to the current or prior reporting period, that are uncollected or unpaid at the statements of financial position date. They are calculated according to tax rates and tax laws applicable to fiscal periods to which they relate, based on the taxable profit for the year. All changes to current tax assets or liabilities are recognized as a component of tax expense in the income statement.

Currents tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amounts are those that are enacted or substantively enacted at the date of statement of financial position.

Deferred Income Tax

Deferred income tax is provided, using the balance sheet liability method, on all temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred income tax liabilities are recognized for all taxable temporary differences. Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits from excess minimum corporate income tax (MCIT) over regular corporate income tax (RCIT) and unused net operating loss carryover (NOLCO), to the extent that it is

probable that taxable profit will be available against which the deductible temporary differences and carry forward of unused tax credits form excess credits and unexpired NOLCO can be utilized.

Deferred income tax, however, is not recognized when it arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred income tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantially enacted at the balance sheet date.

Income tax relating to items recognized directly in equity is recognized and not in the statement of comprehensive income.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to offset current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Events After the End of the Reporting Period

Events after the end of the reporting period are those events, favorable and unfavorable, that occur between the end of the reporting period and the date when the financial statements are authorized for issue.

Any post year-end up to the date of approval of the Board of Directors (BOD) of the financial statements that provides additional information about the Branch's position at the end of reporting date (adjusting event) is reflected in the financial statements. Any post year-end event that is not an adjusting event is disclosed in the notes to the financial statements, when material.

4. Significant Judgment and Estimates

The preparation of the financial statements in compliance with PFRS for SEs requires the Company to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and disclosure of contingent assets and contingent liabilities. Future events may occur which will cause the assumptions used in arriving at the estimates to change. The effects of any change in estimates are reflected in the financial statements as they become reasonably determinable.

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Judgments

In the process of applying the Company's accounting policies, management has made the following judgments, apart from those involving estimations, which have the most significant effect on the amounts recognized in the financial statements:

RECEIVED	
UNION BANK OF THE PHILS. - TEKITE BR.	
JUN 04 2020	
BANK CODE	043-213
TELLER'S CODE/INITIAL	

Classification of financial instruments

The Company exercises judgment in classifying a financial instrument, or its component parts, on initial recognition as either a financial asset, a financial liability or an equity instrument in accordance with the substance of the contractual arrangement and the definitions of a financial asset, a financial liability or equity instrument. The substance of a financial instrument, rather than its legal form, governs its classification in the statements of financial position.

5. Trade and Other Receivables

This account consists of Advances to SCP amounting to ₱0.00 and ₱0.00 as of December 31, 2019 and 2018, respectively.

6. Prepayments and Other Current Assets

This account consists of:

	2019	2018
Value-added input taxes	136,205	112,445
Deferred Input Vat	8,250	5,610
Deferred Tax Asset - NOLCO	65,215	65,215
	₱ 209,670	₱ 183,270

The Company has no value-added output taxes declaration. Thus, any remaining balance of value-added input taxes resulting from purchase of services is presented as part of other current assets at the end of the reporting period.

7. Trade and Other Payables

This account consists of:

	2019	2018
Accounts Payable	₱ 65,640	₱ 167,960
Income Tax Payable	319,517	-
	₱ 385,157	₱ 167,960

Accounts payable refers to professional fees outstanding as of the period.

8. Share Application Money Pending Allotment

Share application money pending allotment amounted to ₱389,174 for both years ended December 31, 2019 and 2018. The transaction is purely relating to equity contribution made by Coromandel International Limited in Sabero Organics Philippines Asia Inc.

9. Revenue

This account consists of Commissions Income received from Coromandel Int'l Ltd. amounting to ₱1,824,398 and ₱452,217 for the year ended December 31, 2019 and 2018, respectively.

10. General and Administrative Expenses

This account consists of:

	2019	2018
Professional Fees	P 210,000	P 470,441
