

Godavari Ultra DAP

DAP with the power of Zinc

Pack Size 50 KG

Features

- Godavari Ultra DAP is a fortified Di Ammonium Phosphate produced by Coromandel.
- Godavari Ultra DAP is fortified with Zinc which is the most vital micro nutrient in Indian condition.
- Godavari Ultra DAP provides 18% Nitrogen & 46% Phosphate along with 0.5% Zinc.

Benefits

- Godavari Ultra DAP corrects Zinc deficiency along with supplying major nutrients.
- Zinc is in such a form that it does not get locked with Phosphate.
- It helps in plant metabolism, to form growth hormones and in reproduction.

Dosage and Application

- Godavari Ultra DAP is highly suitable for cereals like paddy, wheat and maize.

- Highly suitable for Zinc deficient soils.
- Suitable for basal application for almost all crops because Zinc helps good growth in early stages.
